PRESS RELEASE

**Nomination of Mr. Mark Patrick Tame: the new STAS's Vice President – Sales and Marketing.**

---

STAS is pleased to announce the appointment of his new Vice President – Sales and Marketing, Mr. Mark Patrick Tame. Holding a master's degree in international business management from the University of Sherbrooke and accumulating more than 20 years of experience in the development of manufacturing companies, Mr. Tame is an international sales and business development veteran.

His role with STAS will consist in leading and growing the company's sales force as well as identifying areas of international business growth.

Prior to joining STAS, Mr. Tame held various positions with some of Canada's largest manufacturing companies and as a consultant to numerous international companies.

Throughout his career, he has helped rethink business development and corporate strategies. He has also worked in lobbying efforts to promote organizations to government authorities and suppliers through national distribution networks.

“With his track record, Mark Patrick has proven himself by helping organizations realize their full potential to grow their sales and market share, global footprint, and brand recognition, which are important skills to take STAS to the next level. His enthusiasm to put his acquired experiences to good use makes him an asset to our team,” emphasized the president and majority owner of STAS, Mr. Louis Bouchard.

*A long-standing supplier to the aluminum industry, STAS designs and installs high-tech equipment in over 40 countries and is a world leader recognized for its innovative qualities and expertise in the aluminum sector.*
